

MILTON  
HERSHEY  
SCHOOL®

FOUNDED 1909

# Visual and Performing Arts

**High-quality arts education in a balanced curriculum**

All Milton Hershey School students receive expert instruction in visual and performing arts through classes, activities, and performing groups.

# The importance of arts education

All Milton Hershey School students learn about the humanities as part of a comprehensive and balanced curriculum designed to prepare them for college and a career. Our Visual and Performing Arts curriculum allows students to **explore areas of interest and pursue their passions** with expert instruction in multiple program areas. Students engage in age-appropriate, hands-on learning projects focusing on creativity, critical thinking, communication, collaboration, and character and citizenship development. MHS provides students with instruments, equipment, and lessons —**with all costs covered.**
