# Year-Round Care

**Build on your child's positive progress through  
our Year-Round Experiences program**

A child's opportunity to learn does not stop at the end of the school day  
or academic year.

# Fun-filled learning year round

The Milton Hershey School Year-Round Experiences (YRE) program offers activities for students who choose to remain on campus during summer and holidays. YRE runs during all school breaks and during the six weeks of summer starting mid-June to the beginning of August.

Pre-K through 12th-grade students can participate in YRE to enjoy **a range of fun and engaging educational activities** in a safe and nurturing environment.
